Shri Kuldip Singh Ji,
Chairman,
Delimitation Commission,
Nirvachan Bhawan,
Govt. of India, New Delhi.

In connection with partial modification in election member no. 182 of Rajasthan Legislative Assembly 23-Bhilwara Parliamentary Constituency.

Sir,

The patwar circles Mansha, Gankali and Jawal of Revenue Inspector Circle Nandrai; situated in Bhilwada district and are in Jahajpur and Mandalgarh constituencies of Rajasthan Legislative Assembly are near and close to Jahajpur. These are included in Mandalgarh assembly constituency in the proposed delimitation draft, which should remain in Jahajpur itself because of the geographical proximity contrary of this, if these are included in Mandalgarh assembly constituency; it will not be suitable for public, public representatives and by looking at the map. Mansha and Haguli were already in Jahajpur assembly constituency from the point of view, distance, means of communication and administrative facility and Jawal Assembly constituency was in

Shahpura. Now that Shahpura Bande, Tehsil has become an assembly constituency together then it will be appropriate to include Jawal in Jahajpur.

Sawaipur, Banka Khera and Badla Patwar Circle were already in Badliyas Revenue Inspector Circle because of the geographical location of Kothari River and administrative facility. These are rather very close to manbalgarh, in sfeed of Jahajpur because of Kothari River, Communication facility with villages and administrative facility. By looking at the map, it proves its authenticity that these three Patwar Circle should be included in Mandalpur instead of Jahajpur Assembly constituency, which will be in the interest of the people and of the state. Because of some discrepancy in the Revenue Inspector circle District collector and Revenue division sent amendment proposal to the state government, but due to the restriction of the Delimitation Commission, decisions were not taken. According to the names, based upon the growth of population in the eastern regions by including adjoining areas, and not distancing earlier included aeas according to the names it will not be appropriate. So in the present proposal, my above ancluded proposal are objection considered as my and dissent note Manse Patwar circle, gahuli and Jawal Nandrai Revenue Inspector circle should be reparated from Jahajpur Assembly Constituency and be included became of geographical compactness and I present my opinion and recommendation that due to the closeness and transport inconvenience of Kottari river, the Patwar circles of Revenue Inspector Circle of Sawaipur, Banka Kheda Badla should be reparated rom Jahajpur Assembly Constituency and included to Mandalgarh area.

(I have my consent in publishing this objection)

Yours Sincerely,

Sd/-

Subject:- Regarding redelimitation of Sarlarpura Legislative assembly situated in Jodhpur district of the State of Rajasthan.

Sir,

On the subject stated above it is requested that three legislative assembly constituencies come under Jodhpur City in Jodhpur district of the State of Rajasthan. Naming 'Jodhopu City,' 'Sursagar' and 'Sardarpura'. In the Draft working Paper sent recently by the Delimitation Commission. It is seen that Jodhpur ward No. 60 has been deloted from Saldarpura Assembly area. Neither Congress nor BJP proposed to delete the ward and nor it is geographically practical to delete this area from Sardarpura.

As per the population viewpoint if ward No. 60 is included in Sursagar then the population of Sursagar becomes 313172 and the population of Sardarpura remaining only 268649 that seems quite impractical. Therefore ward No. 60 should be in Sardarpura legislative assembly area by deleting from Sursagar legislative area so that as per the Original proposal of the Commission the population of Sardarpur becomes 285356 and of Sursagar becomes 296465 that seems legitimate and logical.

This objection of have should be published along with the Draft working paper.

**Note of Dissent for Lok Sabha Constituencies of
6-Jaipur Rural, 8-Alwar and 11-Dausa
Under Section 9 (2) (a) of Delimitation Act 2002**

Sir,

Associate Members of INC want to divert your kind attention towards the blunder done by Commission in draft working paper released on 8th July, 2005 regarding three parliamentary constituencies named as 6-Jaipur Rural, 8-Alwar and 11-Dausa. The proposed Delimitation of above Lok Sabha Constituencies is not according the provision section 9 (1) (a) of Delimitation Act and your Guideline. The change of Assembly segments between above three Lok Sabha Constituencies is neither logical nor fair because of the following reasons :-

Lok Sabha Constituency 6-Jaipur Rural

1. Delimitation Commission has deleted AC-64-Thanagaji and AC-63-Bansur from Lok Sabha constituency 6-Jaipur Rural and included AC-48-Jamwaramgarh (SC) and 58-Chaksu (SC).
AC-58-Chaksu has no connectivity with any assembly segments of 6-Jaipur Rural. This will be an island for other seven segments of Lok Sabha constituency 6-Jaipur Rural.
2. AC-64-Thanagaji and AC-63-Bansur can not be separated because they are constituted and formed with common Tehsils and RICs of Alwar District.

Lok Sabha Constituency 8-Alwar

1. Delimitation Commission has changed the compositions of Lok Sabha Constituency 8-Alwar by deleting AC-59-Rajgarh (ST) and included AC-63-Bansur. It is against the provisions and guideline of Delimitation Act.
2. Rajgarh was been the Capital of the erstwhile Alwar State. The first King of the Alwar Dynasty Maharao Pratap Singh founded Rajgarh in 1764 AD and built palaces and Dams in this area. This is also native place of Famous Freedom Fighter Pt. Bhawani Sahay Sharma, who was the right hand of Chandra Shekhar Azad. Since 1950. AC-Rajgarh was and is part of Alwar Lok Sabha Constituency. It is adjacent to Alwar District Headquarter and socially, geographically, historically a part of Alwar. Therefore we request you to keep AC-Rajgarh in Lok Sabha Constituency Alwar
3. Thanagaji and Bansur Assembly segments are geographically adjacent and well integrated so they should be kept together.

Lok Sabha Constituency 11-Dausa

1. Delimitation Commission has changed the compositions of Lok Sabha Constituency 11-Dausa by deliting AC-Chaksu (SC) & AC-Jamwaramgarh (ST). Commission has included AC-Thanagaji & AC-Rajgarh (ST) in this parliament constituencies. It is against the provisions and guideline of Delimitation Act, because geographically and administratively AC-Thanagaji & AC-Rajgarh do not give compactness. The % of ST in previously proposed Lok Sabha constituency Dausa was 26.27%. If Commission wants to increase the % of ST in this Lok Sabha Constituency than AC-Jamwaramgarh can also be included but AC-Chaksu which is not having any connectivity with Lok Sabha Constituency 6-Jaipur Rural can only be included in LS 11-Dausa.

In effect therefore Chaksu should be a part of Parliamentary Constituency Dausa and Rajgarh to the remain PC Alwar.

Thanking you,

Yours Sincerely,

Note of Dissent for Assembly Constituencies of Bikaner
District Under Section 9(2)(a) of Delimitation Act 2002

Sir

Some inadvertant omissions occurred with regard to few wards in **13-Bikaner West** and **14-Bikaner East** assembly constituencies of Bikaner District have been

corrected by Draft Working paper of the commission wide letter no. 282/RJ/2005, dated 8th July, 2005. But still the proposed delimitation of AC Bikaner West, AC Bikaner East, AC Nokha & AC Kolayat has not been done according to the provisions of section 9 (1) (a). We the Associates Members of INC & BJP got Consensus on Amendment proposals of AC 13-Bikaner West & 14-Bikaner East and submitted them in the last meeting of Commission held on 10th June, 2005 at New Delhi as under :-

1. The Wards of old Bikaner City are complicatedly constituted. So many houses of Old City are having common wall put they have been split in different Wards. To remove this error Ward No. 3, 4, 5, 6, 18, 19 & 20 may kindly be included in AC 21-Bikaner East and Ward No. 13, 28, 43, 51, 52, 54 & 55 may kindly be deleted. In same manner Ward No. 13, 28, 43, 51, 52, 54 & 55 may kindly included in AC 20-Bikaner West & Ward No. 3, 4, 5, 6, 18, 19, & 20 may kindly be deleted
2. The division of above ACs proposed by our amendment proposal is also based on Railway line situated between them.

The Commission has partly accepted our suggestion by shifting Ward No. 54, 55 in AC-Bikaner West and Ward No. 5, 6 & 20 in AC-Bikaner East. The delimitation commission has Suomotto added Ward No. 35 in AC-Bikaner West and Ward No. 22 in AC-Bikaner East. It was not demanded by INC and BJP.

Therefore we request you kindly include Ward No. 13, 28, 43, 51 & 52 in AC-Bikaner West and delete them from AC-Bikaner East. In same manner kindly also include Ward No. 3, 4, 18 & 19 in AC Bikaner East and delete them from AC-Bikaner West.

Kindly also delete RIC Panchu from AC-Nokha & it should be included in AC-Kolayat, to remove the error of deviation of % in above Acs.

You are requested to kindly publish our note of dissent along with the draft proposals of Commission.

Hon'ble Justice Kuldeep Singh Ji,
The Chairman,
Delimitation Commission of India,

**Subject :- Note of Dissent Under Section 9 (2) (a) of Delimitation Act.
Regarding Assembly Constituencies of District Churu, Rajasthan.**

Sir,

INC Associate Members submitted their amendment proposals in the meeting held on 10th June, 2005 as under :-

Tehsil Sardarshahar is having 304373 population. It should not be split. Delimitation of this District should be started from AC-Sardarshahar, which is the north of District Churu. After completion of this Assembly Constituency AC-Taranagar which is situated in North-East should be constituted & then AC-Sadulpur, AC-Churu, AC-Ratangarh & AC-Sujangarh should be formed. AC-Sujangarh is situated in the South of District Churu. The description of proposed amendments was as under in detail :-

AC-Sardarsahar : Tehsil Sardarsahar : Total Population – 304373

AC- Taranagar : Tehsil Taranagar, Tehsil Rajgarh (Partly), RIC Dadarewa, RIC Dokwa, Tehsil Churu (Partly), RIC Khiwasar Excluding PC Ghantel. Total Population – 268970

AC- Sadulpur : Tehsil Rajgarh (Partly), RIC Rajgarh including Municipal Board, RIC Hameerwas Dara, RIC Ragha Chhoti, RIC Sankhoo, RIC Chainpura Chhota, RIC Sidhmukh. Total Population - 262118

AC – Churu : Tehsil Churu (Partly), RIC Churu including Churu Municipal Board and Ratannagar Municipal Board, RIC Dudwa Khara, RIC Naksasar, PC Ghantel of RIC Khiwasar, Tehsil Ratangarh (Partly) – RIC Ratangarh excluding PC Ratangarh and Municipal Board Ratangarh. Total Population – 267920

AC- Ratangarh : Tehsil Ratangarh (Partly), RIC Golsar, RIC Menasar, RIC Rajaldesar, PC Ratangarh with Ratangarh Municipal Board, Tehsil Sujangarh (Partly), RIC Chhapar, RIC Khuri. Total Population – 294897.

AC – Sujangarh (SC) : Tehsil Sujangarh (Partly) excluding RIC Chhapar and RIC Khuri & Chhapar Municipal Board. Total Population – 297761

In the meeting of commission held on 10th June, 2005 it was agreed by Hon'ble Commission that Tehsil Sardarshahar will be kept intact and the process of delimitation in Churu District will be started from Tehsil Sardarshahar which is the top North of this District according to revenue record. But the above agreed facts are not followed in the draft working proposal released on 8th July, 2005. The draft working proposal has also ignored the Law & Rules regarding deviation of % in Churu by keeping +10.31 % of deviation in AC-21-Sardarshahar. A revised working paper released by the Commission in the month of May have been also ignored without any reason.

Therefore we request you kindly accept our above amendment proposal and keep intact Tehsil Sardarshahar which is the top north of Churu District. It also provides better geographical compactness, road connectivity and administrative units in comparison to your draft proposal.

This may be recorded as a note of dissent for publication from our side.

Note of Dissent for Assembly Constituencies of Jaipur District
Under Section 9(2)(a) of Delimitation Act 2002

Sir

Associates Members of INC has submitted following amendments before Commission on 10th June, 2005 regarding three Rural Assembly Constituencies of District Jaipur and five Urban Constituencies of Jaipur City.

Small amendment proposal in AC-Phulera, AC-Dudu & AC-Jhotwara

1. Due to Sambhar Lake there is no road connectivity of PC Korsinha, PC Habaspura, PC Dohari & PC Chapari of RIC Narayana & PC Shama ki Dani of

RIC sambhar with AC-44 Phulera. Almost 8 months in the year these PCs are full of mud. To reach in Villages of above PCs you have to come from AC-45 Dudu. The above PCs are very well connected with AC-45 Dudu. Therefore it is requested to include about PCs in AC-45 Dudu. It will also remove the error of % of deviation in AC-45-Dudu.

2. PC Bhojpurkalan, PC Murlipura of RIC Jobner & PC Shama ki Dani of RIC Karansar can be included in AC-44 Phulera & deleted from AC-46 Jhotwara. It will also equalize the % of deviation.
3. The present Phulera AC is physically like a DUMBELL. The above amendment proposal will also correct the physical features of AC-Phulera and it will also give geographical compactness. It will also provide connectivity and means of communication.

Single Ward exchange in five ACs of Jaipur City

1. Hon'ble Commission has proposed seven assembly segments in Jiapur Nagar Nigam area. But these seven constituencies are not constituted according to the guideline & rules of the delimitation commission. The main road of the city are the base of dividing wards of Nagar Nigam, but the proposed constituencies of Jaipur City are not formed accordingly. Few constituencies are unnecessarily constituted very lengthy and they are not geographically compact. Specially AC-Civil Lines is constituted very defectively and lengthy. It starts from Top South of jaipur City and it ends at Top North of City, which is the Nargarh Hill. We are suggesting a small amendment proposal of five assembly constituencies named as AC-Civil Line, AC-Malviya Nagar, AC-Adarsh Nagar, AC-Kishanpole & AC-Hawamahal in which inter exchange of a single ward has been suggested. It will give physical compactness, better physical features, administrative unity & easy road connectivity. The exchange of Ward are as under :-

AC Civil Line : Include Ward 16, Delite Ward 66

AC Hawamahal : Include Ward 66, Deliete Ward 64

AC Kishanpole : Include Ward 64, Delete Ward 50

AC Adarshnagar : Include Ward 50, Delete Ward 34

AC Malviya Nagar : Include Ward 34, Delete Ward 16

We hope that Commission will incorporate our amendment proposals given above, otherwise you are requested to kindly publish our note of dissent along with the draft proposals of Commission.

Note of Dissent for Assembly Constituencies of Bharatpur District Under Section 9(2)(a) of Delimitation Act 2002

Sir

Associates Members of INC had submitted following amendment proposal before Commission on 10th June, 2005 regarding four Rural Assembly Constituencies of District Bharatpur.

1. District Bharatpur is one of the example which is having three different cultural areas within the region. Kama & Nagar Tehsils are having Mave Culture & Brij Culture. Whereas Tehsil Weir & Tehsil bayana are also having two different

cultures. We are suggesting exchange of single RICs in AC-75-Weir V/s AC-76-Bayana & AC-70-Kaman V/s AC-71-Nagar. This amendment proposal is also submitted looking to the geographical & physical compactness, connectivity, administrative units and means of communication.

2. RIC Farso should be deleted from 75-Weir & included in 76-Bayana. RIC Samodar should be deleted from 76-Bayana and it should be included in 75-Weir. This small exchange of RIC will give physical & geographical compactness to both Assembly constituencies.
3. RIC Raf is part of Panchayat Samiti Nagar. This RIC is adjoining with AC-Nagar. Whereas RIC Pasta is situated very far from AC-Nagar and to reach RIC Pasta you have to cross another Assembly constituency. It means it don't have direct connectivity. Hence we propose that RIC Ranf & RIC Pasda should interchange between AC-Nagar & AC-Kaman.

The Associate Members of BJP also supported our above amendment proposals in that meeting and they also agreed by submitting their written proposals. Your good self also fully convinced with above amendment proposal and you have given assurance to all the associate members that this will be considered. Even than commission has not incorporated above amendments in draft proposal released on 8th July, 2005. The proposals of draft working paper released on 8th July, 2005 regarding AC-Kaman, AC-Nagar, AC-Weir and AC-Bayana are not according to the guideline and section 9 (1) (a) of delimitation act. Therefore the above amendment proposals submitted by associate members of INC and supported by BJP members should be accepted by the commission.

We hope that Commission will incorporate our above amendment proposals in the interest of Law and Citizens of Bharatpur District. Otherwise, you are requested to kindly publish our note of dissent along with the draft proposals of Commission.

Note of Dissent for Assembly Constituencies of Dholpur District Under Section 9(2)(a) of Delimitation Act 2002

Sir

Associates Members of INC had submitted following amendment proposal before Commission on 10th June, 2005 regarding two Rural Assembly Constituencies of District Dholpur as under.

1. The present % of deviation of population in Bari & Baseri is +7.34% and –6.57% respectively. In order to maintain the deference of % of deviation in AC-77-Baseri (SC) and AC-78-Bari the PC Ibrahimpur, PC Bhimari, PC Sikarra & PC Kuhawani of RIC Bari should be included in newly constituted AC-Baseri and deleted from AC_Bari. All of above PCs are adjoining and adjacent with Tehsil Baseri and is geographically compact. They are part of same panchayat samiti and therefore, will be administratively suited to the people of the area.

2. AC-77Baseri (SC) can be connected with National Highway easily by including four Patwar Circles of one RIC from AC-78-Bari. This small amendment will also provide road connectivity to both Acs- (AC-Bari & AC-Baseri)

The Associate Members of BJP also supported our above amendment proposal. Even than commission has not incorporated above amendments in draft proposal released on 8th July, 2005. The proposals of draft working paper released on 8th July, 2005 regarding AC-Bari and AC-Baseri are not according to the guideline and section 9 (1) (a) of delimitation act. Note of Dissent for Assembly Constituencies of Tonk District
Under Section 9(2)(a) of Delimitation Act 2002

Sir

We have received your draft proposal dated 8th July, 2005. We have found that Commission has deleted RIC Nasirda of Tehsil Devali from AC-Devali on the ground that many villages of RIC Nasirda are covered under Bisalpur Water Project. We strongly protest that Commission has arbitrarily shifted RIC Mor of Tehsil Todaraisingh in Tonk. Associate Members of INC and BJP never suggested for this change. Geographically and Administratively RIC Mor should remain with AC-94-Malpura, as it was previously proposed by Commission in their Working Paper. The local citizens of Malpura have raised their protest regarding inclusion of RIC Nasirda in AC-Malpura. According to them the road connectivity from AC-Malpura with RIC nasirda is only possible through entering AC-Kekri which is the segment of neighbour district Ajmer.

2. We also request you kindly change of the name 97-Devali as UNIARA-DEVALI.

Note of dissent for Loksabha Constituency – **Sawaimadhapur-Tonk**

In the draft working paper as against our suggestion commission has named PC-Sawaimadhapur as PC Sawaimadhapur-Tonk. Whereas the associate members of INC and BJP jointly suggested to change the name of this Parliamentary Constituency as Tonk-Sawaimadhapur.

Tonk was separate princely state before freedom. Whereas Sawaimadhapur district was a part of erstwhile Jaipur state. District Tonk is much larger in size and population in comparison to district Sawaimadhapur. Therefore, we once again suggest

that the name of this Parliament Constituency should be corrected as Tonk-Sawaimadhopur.

We hope that Commission will incorporate our amendment proposals given above otherwise, you are requested to kindly publish our note of dissent along with the draft proposals of Commission.

Note of Dissent for Assembly Constituencies of Pali District
Under Section 9(2)(a) of Delimitation Act 2002

Sir

Associates Members of INC has submitted enclosed amendments before commission on 10th June, 2005 regarding the Two Assembly Constituencies of District Pali named as AC-116-Jaitaran and 117-Sojat (SC). Our proposal was based on the

Guideline and the provisions of Section 9 (1) (a) of Delimitation Act. We wanted to keep reserve AC-Sojat for SC. Our proposal was as under :-

1. The revised proposal of Commission is partly accepted. AC-Jaitaran and AC-Sojat are not constituted according to the guideline.
2. This District is also situated in the chain of Arawali Hills. AC Jaitaran and AC Sojat are having different physical features due to large number of Arawali mountains situated between them.
3. The maximum area of existing AC-Raipur which is dissolved in proposed working paper of the commission should be retained in AC-Jaitaran.
4. Looking to the geographically compactness, Physical features and means of communications (Road connectivity), we request you kindly exchange two RICs between AC jaitaran and AC Sojat. **Description is as under :-**
RIC Kotkirana of Tehsil Raipur should be included in AC-Sojat.
RIC Raipur partly-PC Birantiya Kalan, PC Hajiwas, PC Jhoontha, PC Leelamba, PC Raipur-I & PC Raipur-II should be included in AC-108-Jaitaran.
5. The character of AC-Sojat (SC) and AC-Jaitaran will remain same.

BJP Members also submitted their amendment proposal in above meeting regarding AC-Jaitaran and AC-Sojat, but they wanted to de reserve AC-Sojat. Principally it was agreed by both the parties that none of the constituency will be changed from reservation or de reservation.

Sir, We once again request you that looking to the geographically compactness, physical features and means of communication (road connectivity) kindly exchange two RICs as above stated between AC Jaitaran and AC Sojat (SC). We hope that Commission will incorporate our amendment proposals given above otherwise, you are requested to kindly publish our note of dissent along with the draft proposals of Commission.

Note of Dissent for Assembly Constituencies of Jodhpur District Under Section 9(2)(a) of Delimitation Act 2002

Sir

Associates Members of INC had submitted following amendment proposal before Commission on 10th June, 2005 regarding four Rural Assembly Constituencies of District Jodhpur.

1. The delimitation of Assembly Constituencies in District Jodhpur has not been drawn according to the guideline of delimitation commission and provisions of section 9 (1) (a). The proposed constituencies are not geographically and

physically compact. All the sub-divisions of Jodhpur District has been split maximum tehsils and panchayat samitis are unnecessarily broken. Therefore the delimitation of this district should be reviewed and reformed.

2. We are proposing amendment in AC-Osian and AC-Lohawat as under :- **125-Osian** Tehsil Osian (partly) RIC Mathania, RIC Osian, RIC cherai (Partly), RIC Tinwari (Partly), RIC Aau (Partly) & RIC Bapini (Partly). **123-Lohawat :-** RIC Lohawat, RIC Bapini (Partly), RIC Cherai (Partly), RIC Chamu (Partly), RIC Balesar (Partly), & RIC Tinwari (Partly)
3. In this proposal the existing boundaries of Assembly segments of this District can be retained maximum.
4. Tehsil and RICs of Jodhpur District are formed defectively. Tehsils and Panchayat Samatees are coterminous. They are lengthy and inserted in each other. Hence to form compact Assembly segment it is necessary to split RICs and Tehsils.
5. Administratively & from the point of view of compactness and communication this amendment proposal is more perfect and suitable. This is in the public interest.

Amendment Proposal for AC-130-Luni

1. In the meeting of Commission dated 10th June, 2005 Associate Members of INC and BJP consensually submitted their amendment proposal but Commission has turned down them without any reason. In draft proposal the formation is not according to the guideline and section 9 (1) (a) of the Act. AC Luni is having – 10.27% deviation which is against the rules. Therefore we once again request you kindly accept a small amendment in AC-Luni. PC Kakelaw & PC Jaleli Fauzdara of RIC Dangiawas (Tehsil Jodhpur) & PC Roodkali of RIC Bisalpur (Tehsil Jodhpur) should be included in AC_Luni and deleted from AC-Bilara. If commission do not agree to split two RICs than we suggest you to included RIC Dangiawas in AC-Luni which the most adjacent RIC and geographically compacted with proposed AC-Luni. The character of AC-Bilara and AC-Luni will remain same.

Amendment Proposal for AC-124-Shergarh

1. Looking to the geographical compactness, administrative and revenue units, means of communications, different cultural and population associate members of INC and BJP jointly suggested amendment proposal of AC-Shergarh in the meeting of commission dated 10th June, 2005 but commission has ignored it. Now the proposed AC-Shergarh and AC-Lohawat are defectively formed and they are not geographically compact. If commission do not want to split RICs than we suggest a feasible amendment as under which is according to the guideline and rules of delimitation act.
2. RIC Shetrawa should be deleted from AC-Lohawat & RIC Chamu should be included in AC-Lohawat. RIC Shetrawa should be included in AC-Shergarh & RIC Chamu should be deleted. The deviation of % will not exceed average population of District.

Amendment Proposal for AC. Jodhpur, Sursagar and Sardarpura

Delimitation of above three Urban Assembly Constituencies was perfectly framed in draft working paper previously released in the month of March, 2005 but now it has been changed unnecessarily. Ward No. 60 of Nagar Nigam Jodhpur should remain with AC Sardarpura as commission as previously proposed in working paper. The population of Jodhpur City is sufficient to form three Urban Assembly segments. There is no need to include the Rural population in these Acs.

We hope that Commission will incorporate our amendment proposals given above otherwise, you are requested to kindly publish our note of dissent along with the draft proposals of Commission.

**Note of Dissent for two Assembly Constituencies of Baran District regarding AC
193-Anta and AC 195-Barna-SC
Under Section 9(2)(a) of Delimitation Act 2002**

Sir

The proposed delimitation of this district BARAN is against the guideline and the provision of section 9 (1) (a) of delimitation act, 2002. It seems to have been prepared to favor the ruling party of the state. There are SECTON OFFICER many compositions in various Acs which either have no connectivity or they are inter injected in each other. The assembly constituencies of District Baran as proposed in the draft proposal are geography defective administratively no-convenient. They are neither

logical nor fair. Commission have Delimited AC 195-Baran with intention to keep this segment reserved for SC resulting AC Anta as de-reserved.

To remove these anomalies and errors, we are proposing the amendment proposal regarding AC 193-Anta and AC 195-Baran, which comprise all Tehsils & RICs inducted. It is having better connectivity and better geographical and administrative compactness. Similarly, our proposed amendments relate to the Assembly segments of District Baran looking at the geographical, physical, social, cultural and administrative situations. In our proposal we have kept intact the SDO area, Panchayat Samiti area. Less number of Tehsils & RICs have been split in our proposals. It is better-compact proposal. The proposed amendments are as under :-

No & Name of Assembly Constituency	Extent of Constituency Tehsil/RIC/ Town	2001 Population			% of SCs	% of STs	% of Deviation
		Town	SCs	STs			
193-Anta or Atru (SC)	Tehsil Atru	132944	27293	24457

Note of Dissent for Assembly Constituencies of Bharatpur District Under Section 9(2)(a) of Delimitation Act 2002

Sir

Associates Members of BJP & INC has submitted following amendment proposal before Commission on 16th June, 2005 regarding four Rural Assembly Constituencies of District Bharatpur.

1. District Bharatpur is one of the example who is having three different cultural areas within the region. Kama & Nagar Tehsils are having Mave Culture & Brij Culture. Whereas Tehsil Weir & Tehsil Bayana are also having two different cultures. We are suggesting exchange of single RICs in AC-75-weir V/s AC-76-Bayana & AC-70-Kaman V/s AC-71-Nagar. This amendment proposal is also submitted looking to the geographical & physical compactness. Connectivity, administrative units and means of communication.
2. RIC farso should be deleted from 75-Weir & included in 76-Bayana. RIC Samodar should be deleted from 76-Bayana and it should be included in 75-Weir. This small exchange of RIC will give physical & geographical compactness to both Assembly constituencies.
3. RIC Raf is part of Panchayat Samiti Nagar. This RIC is adjoining with AC-Nagar. Whereas RIC Pasta is situated very far from AC-Nagar and to reach RIC Pasta you have to cross another Assembly constituency. It means it don't have direct connectivity. Hence we proposed that RIC Ranf & RIC Pasda should be inter exchange between AC-Nagar & AC-Kaman.

The Associate Members of INC also supported our above amendment proposals in that meeting and they also agreed by submitting their written proposals. Your good self also fully convened with above amendment proposal and you have given assurance to all the associate members that this will be considered. Even than commission has not incorporated above amendments in draft proposal released on 8th July, 2005. We are unable to understand why this amendment proposal commonly agreed by both the parties has been turned down. The proposals of draft working paper released on 8th July, 2005 regarding AC-Kaman, AC-Nagar, AC-Weir and AC-Bayana are not according to the guideline and section 9 (1) (a) of delimitation act. Therefore the above amendment proposals submitted by associate members of INC and supported by BJP members should be accepted by the commission.

We hope that Commission will incorporate our above amendment proposals in the interest of Law and Citizens of Bharatpur District. Otherwise, you are requested to kindly publish our note of dissent along with the draft proposals of Commission.

Thanking you,

Yours Sincerely,

Kind attention of Shri Shangara Ram

I would like to draw your kind attention regarding of Delimitation Act 2002 of 33 that Delimitation Act 2002 (Part-2) will do delimitation according to the Act of Parliament, Census of 2004, and by the section 5 of the Act No. 3 of 2004; from 31-10-2003 according to the figures of Census as ascertained in the Census and keeping in

view the provisions of the Constitution and Act specified in Section-8 and the following provisions, Viz.-

(a) All the constituencies will be geographically compact areas and from next page their natural textures the existing borders of administrative units, communication facilities and public facilities will have to be kept in mind while doing their delimitation.

(b) The delimitation of every assembly constituency will be done in such a manner that they will come completely within one Parliamentary Constituency.

On the basis of above norms the proposals regarding Tonk segment of Parliamentary Constituency, which were earlier proposed by you in which the R.I. circle more of Todaraysingh was included in the Malpura Assembly Constituency which was according to the norms of Delimitation Commission and no change was necessary. But the proposal has been changed for which I am sacking its dismissal. The changed area of the present Malpura assembly constituency in which R.I. Circle Nasrda has been added with Malpura, in place of R.I. Circle more, should be cancelled. Because –

(1) This area of Nasirda is not connected to Malpura. This area is about 80 km. Far away from Malpura, whereas more, the area in the east is only 18 km. Away from Malpura.

(2) The area of R.I. circle Nasirda comes under Devali Tahsil and its Police Station, Court and Panchayat Committee also comes under it. The people are also directly connected to Devali. Therefore connecting this area to Malpura would be against the natural quality standards of Delimitation Commission, borders prevailing the administrative units, communication facilities, public facilities and variations the geographical difference. So, these changed boundaries should be cancelled and the proposed in its original form made by the Delimitation Commission in the primary level,

in which more of the Toda Rai Singh was attached to Malpura should be kept precisely as it was.

Hence in the implementation of the public interest it is requested to the Delimitation Commission to make amendment to include the same R.I. circle in Malpura Assembly Constituency and oblige

Yours Sincerely,

Subject:- To change the name of "Parliamentary Constituency Sawai Madhopur" as "Parliamentary Constituency Tonk" and its Headquarter to be Tonk-regarding.

Sir,

You are requested to pass the order to change the name of "Parliamentary Constituency Sawai madhopur" Seat in Rajasthan, created by the Commission at present; as "Parliamentary Constituency Tonk". Because :-

1. As far as geographical area is concerned, Tonk district is larger than Sawai Madhopur district. The area of Tonk district is 7194 sq.km. whereas the area of Sawai Madhopur district is only 5513 sq.km.
2. According to the census of 2001, the population of Tonk district is also more than that of Mathopur district. According to the published figures of the population of 2001, the population of Tonk district is 12, 11, 671 whereas the population of Sawai Madhopur district is only 11, 17, 057.
3. The extension of voters in Tonk district is in 1089 Villages. Whereas there are only 794 Villages in Sawai Madhopur, which is very much less in number than that of Tonk district.
4. The distance of Tonk, from Jaipur city, the capital of Rajasthan is 100 km, whereas Sawai Madhopur is situated 175 km. Far away from the capital i.e. Jaipur.
5. Tonk City is situated in National Highway no. 12, whereas Sawai Madhopur City is not connected with any National Highway.
6. There is "Municipal Council" in Tonk City, whereas, there is only "Municipality" in Sawai Madhopur from administrative point of view.
7. Tonk City has been a historical City and its area is progressive in the production of chilli, mustard and carpet and is having industries of bidi and leather far export also. Whereas Sawai Madhopur district is comparatively not well to do from industrial point of view.

8. Parliamentary Constituency, Tonk has been reserved for Schedule tribes till now, but, now it is being changed in general category. From this point of view, the population of the people of general category in Tonk district is 8, 32, 696, whereas in Sawai Madhopur district it is 6, 52, 755 which is less than that of Tonk district.

9. According to the present proposals if the Parliamentary Constituency is named as "Sawai Madhopur Parliamentary Constituency" and its headquarter is fixed at Sawai Madhopur, then this city will have the distance of 205 km. From assembly constituency Malpura, 145 km. From assembly constituency Dewali and 110 km. From Niwai city of assembly constituency Niwai; of Tonk district.

10. The constituencies of Madhopur district were earlier included in the very "Parliamentary Constituency Tonk" in the first general election held in 1952 and the general election held after that i.e. in 1957 in the counting.

Therefore keeping in view the above facts, your are requested to give your acceptance to change the name of "Parliamentary Constituency Sawai Mdhopur" as "Parliamentary Constituency Tonk".

Yours Sincerely,
